Bob	Chinese Elm	20	3	6	13	16	10	4	72	1	Beautiful trunk and branch structure. Remove the wayward roots to show off the rootbase better. This tree would look fabulous in a proper pot!
Richard M	Hazel	21	6	7	12	14	10	4	74		Two "sets" of roots spoils the rootbase, otherwise look nice.
Peter	Acer palmatum	23	10	8	13	14	10	4	82	3	Nice rootbase and trunk. Branches need a bit more structure. Perfect pot choice!
Geoff	Trident maple	22	9	10	13	13	9	3	79	2	Nicely proportioned and well presented tree. Trimmed shoot ends make it look a bit ragged. Gorgeous pot, if a little large!
Brian	Chinese Elm	23	9	9	13	14	10	4	82	5	Very well presented, Beautiful pot. Try planting a little to left at next repot.
Novice											
Dave	Birch	21	6	8	13	14	8	4	74		Nice gnarly trunk and rootbase. Clean moss off roots to show them better. Try tilting the tree a little to the right at next repot. Aphids!!
